5. Director Eppink reported that one candidate stood out above the others during the recent planning manager position interviews. The candidate has been invited to walk an undeveloped property in Sharon Township with members of the interview committee on October 17 and submit a bulleted plan as to how he would develop the site.
 6. Director Eppink reported that he, Natural Resource Manager Spetz, and Park Planner Bondi will be meeting with Boris Slogar and Dave Kopchak of Muskingum Watershed Conservancy District on October 21 to discuss how the two agencies can work together to improve the water flowing into Chippewa Lake from property the park district owns north of the lake.

Director Eppink shared that the program is a lot of work in addition to making the site unavailable for reservation revenue. The Friends of the Parks received about \$3,000 in profit from a raffle. He invited Bloom Event Planners to modify and revise the event by focusing on the profitable aspects of the festival. Ms. Hurt will meet with Director Eppink soon to discuss the future of the program.
 - b. Commissioner Neate asked the director if he has received any follow-up contact from the Chippewa Lake stakeholders meeting attendees. Director Eppink replied that he received some information from Senator Obhoff's office regarding funding that may be available to assist with the lake. IX. COMMISSIONERS' COMMENTS

- A. Chairwoman Davis asked why the water level at Hubbard Valley Park is down.
