## **Wednesday, July 12 - Steve Madewell - The Lodge at Allardale - 7 to 8 p.m.**

Steve Madewell has had two major influences in his life: music and nature. While he has enjoyed a remarkable and successful career in the parks and recreation field, music is and has always been an integral part of his life. He has maintained an active musical schedule since he began singing and playing guitar early in his teens. In recent years, Steve shifted his musical efforts toward writing, recording, and performing original material based on the inspiration of the natural world and work experiences he has been privileged to enjoy. All ages are welcome. No registration required. Free.

## **Wednesday, August 9 - Brian Henke - The Lodge at Allardale - 7 to 8 p.m.**

This month, Brian Henke will be performing at The Lodge at Allardale. His unique guitar style has been called everything from folk to new age to neo-classical to pastoral, or, as Brian likes to call it, a big stew pot of everything stirred up, simmered, and served to taste. Brian spends his spare time hiking through the woods, and these hikes provide the inspiration for his music. All ages are welcome. No registration required. Free.
