

# Scout Programs

## Registration Information

Scout programs are designed to meet badge requirements wherever possible. All programs last one hour and are free to Medina County residents. A fee of \$3 per scout will be charged to out-of-county groups. To schedule a program, call Judy at (330) 239-4814 Monday through Friday from 8 a.m. and 4:30 p.m.

## Programs may be scheduled:

- Tuesday through Friday between 3 and 5 p.m.
- Saturday - 10 a.m. or 1 p.m.
- All seasons unless noted

## Outdoor Hiker

### *Daisies and Tiger Cubs*

Explore the outdoors on a naturalist-led hike. Discover the diversity of animals and plants found in our parks.

## Habitat Hike

### *Brownies and Wolf Cubs*

Hike outside and discover how to identify wild animals, visit their habitats, and look for signs of activity.

## Wildlife

### *Bear Cubs*

Investigate wildlife in this indoor/outdoor program. Discuss important conservation topics and then take a hike.

## Into the Woods\*

### *Juniors and Webelos*

Forests are an important part of our ecosystem. Take a hike to learn about trees and other plants. **\*spring, summer, and fall only**

## Earth Rocks!

### *Juniors and Webelos*

The value of rocks may be easily overlooked, but they are very important to everyday life. Discover some geology basics from minerals to fossils.

## Into the Wild

### *Juniors and Webelos*

Naturalists are people who go into the wild to learn and teach others about all aspects of nature. Learn about, identify, and observe as you hike through a variety of habitats.

## Geocaching

### *Cadettes and Boy Scouts*

Learn how to play this high-tech scavenger hunt game. Practice using a handheld GPS by finding an actual cache.

## Finding Your Way

### *Cadettes and Boy Scouts*

How did people find their way before GPS? Learn how to use a compass, and practice your skills on a compass course.
