

Nature Nut Trivia Hunt Geocache Series

Looking for something fun to do with your family this summer? Try out the newest geocache series in Medina County Parks! Both experienced and novice geocachers alike will enjoy getting out and discovering our beautiful county parks, while testing their “nature knowledge” and competing for prizes.

We have hidden 12 caches in 12 different parks throughout the district and in each is a nature trivia question. Find all 12 caches to obtain the questions, research your answers at home, and submit all 12 of your answers to the questions at one time via e-mail to stender@medinaco.org by **November 30**. Submissions of **correct** answers only to all 12 questions will be eligible for the grand prize drawing. You will receive a reply e-mail when your answers have been received.

You do not have to participate in the trivia series to do any of these caches, but we hope you will anyway! Be sure to bring along paper and pencil to write down the questions. To keep this fair for everyone, please **DO NOT** include answers (or hints to the answers) in your logs on geocaching.com.

Drawing for two grand prizes will be held on December 1, 2011. Winners will be notified by e-mail. Park employees and their family members are not eligible to win prizes.

If you have questions or concerns about any of the caches in this series, please contact Shelley Tender at 330.239.4814 or stender@medinaco.org.

Caches you must find:

Nature Nut Trivia Hunt: Allardale

N 41° 11.736 W 081° 42.020
