

## WELCOME TO PLUM CREEK PARK...

*To take advantage of all your gatherings, an enclosed shelter is located on the north side.*

*Plum Creek Park offers scenic views from one of its many trails.*

Plum Creek Park is one of the best examples of recycling found in the county. The park opened on August 9, 1980. Formerly the Brunswick Township landfill, this site has been transformed into a scenic park by the park district. Beginning with the original 30-acre landfill site, the park district has added over 160 additional acres. The many intermittent creeks flowing through the shallow, wooded valleys provide a unique background for hikers and birdwatchers.

Yellow poplars dominate the higher ridges, with a good number of flowering dogwoods occupying the woodland edges.

The park offers an enclosed picnic shelter on the north side available by reservation. This facility is heated and air conditioned to provide a great place for your family reunion or meeting. An open-air shelter can also be reserved on this side of the park. The south side offers an open-air shelter for group use by reservation. It also has a playground for children. Individual tables and grills are located on both sides of the park for your enjoyment. Both the north and south shelters are fully accessible via paved paths.

*Discover the wildlife and vegetation at Plum Creek Park by hiking some of its wonderful paths.*

In 2002, Friends of Plum Creek Park, Medina Summit Land Conservancy and Medina County Park District saved 64 acres of mature forest and meadows from being developed into housing. Those acres are now a part of Plum Creek Park.

### AS YOU VISIT...

- Please stay on designated trails
- Do not remove plants or natural objects
- Follow the posted rules for fishing
- All pets must be leashed
- Respect private property owners adjacent to the park by not trespassing
